Take a riotous race around Badtown [before it blows up!]

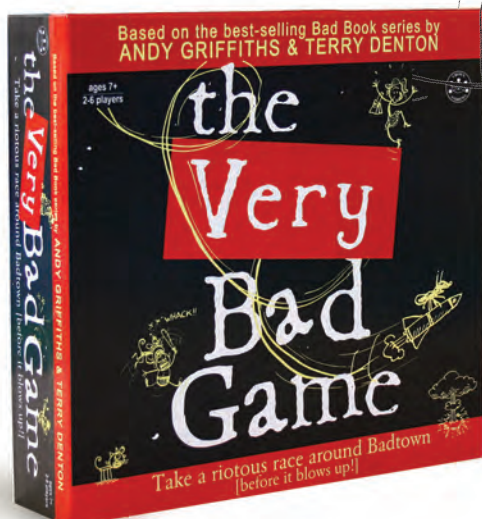

The **Very Bad Game** is a board game based on the wacky characters and themes of the immensely popular Bad Book series by Andy Griffiths - one of Australia's most successful writers. It is expected to be the must-have companion to the Bad Book Series and the perfect gift for the hundreds of thousands of Griffiths's fans.

Developed in partnership with Andy Griffiths, *The Very Bad Game* is a genuine extension to the books - including 200 hilarious Very Bad Cards. It is certain to bring hours of family fun with excellent game play, laughter, the enjoyment of reading and a little strategy.

It is also a visual treat! Just like the books, the game includes hundreds of illustrations by Terry Denton that bring the world of Badtown to life as only Terry can.

How to play:

For ages 7 and up, the game is easy to play and always fun. Players race around Badtown trying to find the 4 missing pieces of their lost pet. But it's not easy! They have to get past the weird and wacky folk of Badtown - who will send them every which way around the board for all kinds of very bad reasons. And watch out - the whole town may even blow up! It's a lot of nonsense and riotous family fun!
