

Aerobie Megatop | 20655

Looking like an oversized Yo-Yo, the Megatop is 75 millimeters in diameter and weighs 100 grams. It is precisely crafted and weighted around the perimeter to achieve amazingly long spins. Catching plate for catching, throwing and balancing tricks. Spin booster for almost unlimited spin times. Achieves 3000+ RPM spin rates!

Aerobie Pro 13" Flying Ring | 20652

For exhilarating games of catch, nothing compares with the Aerobie Pro flying ring, holder of the Guinness World Record for the farthest throw - it flew an amazing 406 metres. You can actually play catch with a friend more than 100 metres away! The soft rubber edge makes catching soft and easy. Even today, more than a decade after the Pro ring's creation, onlookers are still amazed by this incredible flying ring. Size: 13 inch diameter. Available in orange, yellow, and magenta. **ages 12+**

Aerobie 10" Sprint Flying Ring | 20651

Size: 10 inch diameter. Available in orange, magenta, and yellow. **ages 12+**

Aerobie Orbiter Boomerang | 20653

A high performance outdoor boomerang, the Aerobie Orbiter flies out about 30 metres and then it really does come back. The Orbiter boomerang combines a high tech, triangular design with a bright coloured, soft rubber edge. These features make it easy to throw and see in flight and soft to catch. Throwing instructions printed on the boomerang will help you learn to play catch with yourself in no time. Size: 11 ½ inches per side, equilateral triangle. Available in orange, yellow, and magenta. **ages 12+**

Aerobie Superdisc Ultra | 00026

The Superdisc Ultra is the top of the line Aerobie flying disc. It was developed in response to Superdisc fans' wanting a larger, heavier version. Its soft rubber edge provides a great grip for strong throws. It also feels soft to catch and does not develop sharp scratches and burrs like a conventional disc when it hits pavement. Floats in water. Size: 12 inch diameter. Weight: 162 grams. Available in yellow, red, and blue. **ages 10+**

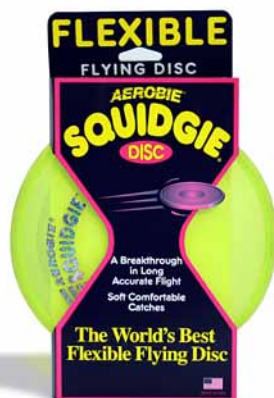

Aerobie Superdisc | 00305

Smaller, lighter version of the Superdisc Ultra. Size: 10 inch diameter. Available in yellow, red, and blue. **ages 10+**

Aerobie Skylighter Disc | 00027
 Extend the fun of playing with an Aerobie flying disc into the night with the new Skylighter lighted disc. Its bright LEDs illuminate the clear centre and the translucent coloured rim to make the entire Skylighter appear bright in the night sky. With the patented Aerobie spoiler rim design, the Skylighter is easy for players of all skill levels to throw well. Its narrow profile and large 12 inch diameter make the Skylighter fly far and straight.

Aerobie Squidgie (Jelly Disc) | 00220
 Soft and flexible, the Aerobie Squidgie disc is fun to throw and catch. Its breakthrough spoiler rim design allows even inexperienced throwers to achieve accurate, stable flights. Roll it up and toss it in your bag for spur of the moment accurate flights. Floats in water. Size: 8 inch diameter. Available in orange, blue, yellow, green, and glow in the dark.
 ages 3+

Aerobie Dogobie Flying Disc | 20656
 The Aerobie Dogobie flying disc's flexible but tear and puncture resistant material is gentle on your dog's mouth and teeth but sturdy enough to endure fetch after fetch. With its patented spoiler rim design, the Dogobie disc is made for long, stable flights even when thrown by a beginner. Floats in water. Size: 8 inch diameter. Available in blue and yellow, the two colours seen by dogs. (Dogs see other colours as shades of grey.)
 ages 10+

Aerobie Epic Golf Disc - Driver | 00020
 The revolutionary, patented epicyclic design of the Aerobie Epic golf disc gives the disc the largest average rim width to reduce drag and produce amazingly long drives. The Epic disc is designed to be adjusted to each individual's throwing style and speed. Properly adjusted or tuned, you will throw it farther than any other disc. A card with tuning instructions comes with each disc. Weight: 166-169 grams. Available in orange, blue, and yellow.
 ages 12+

Aerobie Arrow Golf Disc - Putter | 00021
 Introduced in 2003, the Aerobie Arrow approach and putter golf disc brings the patented Aerobie spoiler rim to the game of disc golf. With the straightest flights and least fade of any known disc, the Arrow golf disc's unique aerodynamic design makes its flights predictable and true to the target. The disc's ergonomic grip is perfect for consistently accurate throws. PDGA approved. Weight: 164-168 grams. Available in orange, blue, and yellow.
