

# The Dragon Chronicles 1000 pce

pieces: 1000 dimensions: 688 x 493 mm age: 15+

These superb designs are all sourced from the book known as The Dragon Chronicles. This book purports to be a faithful reproduction of the journal kept by the Great Wizard, Septimus Agorius. The Chronicles detail his adventures in hunting down and slaying many malevolent dragons in accordance with the wishes of his King. Legend has it that Septimus was accompanied on journeys by artists and assistants to record these mysterious beasts. Now you can wonder at the marvels of this tale with our stunning range of high quality puzzles.
